Key to our Future

GHS

GREENVILLE HIGH SCHOOL

GREENVILLE, SOUTH CAROLINA

IT'S EASY to forget so many things that have made our high school days the joyous and happy moments they were.

It's easy to forget the excitement we felt as freshmen . . . claiming GHS as "our" school . . . thrilling at "our" first pep meeting . . . getting "our" High News every Friday . . .

It's easy to forget our days as sophomores — "old hands" now . . . working on the Christmas float . . . cutting bugs in biology and slaving in Latin . . . taking tests . . . and telling seniors goodby . . .

It's easy to forget the days as juniors . . . upper classmen now . . . open house after the games . . . working on English and history essays . . . student body elections highlighting the year . . .

It's easy to forget this our happiest year as seniors . . . proud "seniors" we were . . . senior tests . . . last football game . . . last pep meeting . . . then last day — senior day . . . and finally commencement.

The job of the Nautilus is to give you the key to these memories. The purpose is to record our daily work . . . exciting events . . . and unforgetable experiences. If this has been done, we have succeeded.

Here is the GHS we knew!

"Key to our Hearts"

DEDICATION

Miss Louise Austin

Alma Mater

There is a school we love in Dixie Land,

'Tis Greenville High for which we take our stand.

There we are taught to fill in life a place,

There learn to do, to dare, to run the race.

Trueness and Purity our colors show,

Red as the crimson and white as the snow,

Loyal to our motto may we e'er be,

Only through truth shall we be free.

Though we may wander far, whate'er our lot,

We'll ever keep the lessons you have taught.

Our hearts will turn to thee in tenderness,

And pray God bless you, dear old GHS.

IN APPRECIATION...

J. C. Keys, Jr.

For your co-operation and support during the entire life of the NAUTILUS.

The Chambered Nautilus

Build thee more stately mansions, O my soul,

As the swift seasons roll!

Leave thy low-vaulted past!

Let each new temple, nobler than the last,

Shut thee from heaven with a dome more vast,

Till thou at length art free,

Leaving thine outgrown shell by life's unresting sea!

Dear Miss Adams:

You certainly gave me a difficult assignment when you asked me to choose your Semity Queens from among the girls whose pictures you sent me. They are all lovely and I really had a great deal of trouble making my final selections. But I did my bestand hope that you will be pleased.

I also am enclosing the picture showing me pondering over the assignment. It was taken in my set trailer at the Radio-Patee Studio in Culver City, where we are filming "Song of the Musketeers" in which Maureen O'Hara and I are co-starring.

Give my regrets to all the other beautiful girls whose pictures I had the pleasure of studying as I struggled with my selections, but who could not be included in the finals.

Cordially,

Cornel Wilde

DIAMOND HERE and NOW

1856-1950

The sometimes fabled Diamonds of antiquity carried no greater charm of fascination than the Diamonds we are showing now. Come in and see them when you will. Let our 87 years of Diamond handling be yours to command as we tell you the things about Diamonds that will allow you to draw hairlines of distinction in grading your application. Then let our enviable Diamond buying privileges be put to work to SAVE YOU MONEY in the Diamond purchases you from time to time make. We are not talking at random when we advise you that this is a good time, especially at the favoring prices we are now able to offer—to buy DIAMONDS. YOU MUST BUY VALUE IN DIAMONDS IF WE MAKE THE SALE.

Our Complete Jewelry Manufacturing Facilities—right on the premises—are yours to make use of, no matter on how quick call —for remounting, for modernizing of jewelry pieces of cuttings and the like.
